

Thank you for protecting animals through Workplace Giving

Thank you for your interest in World Animal Protection's Workplace Giving program.

Setting up Workplace Giving to donate to World Animal Protection through your organisation is easy. All you have to do is:

- Complete the form below. Kindly provide one copy to your payroll team and one to World Animal Protection.
- Instruct your payroll department to deduct your nominated donation amount from your gross pre-tax salary each pay period.
- Request the payroll officer to forward your remittance details (employee name, donation amount and donation date) to World Animal Protection by mail, email or fax using the contact details below.

If you belong to a large organisation with over 2000 employees wishing to take part in our Workplace Giving program, your payroll office may wish to have the administration of the program handled externally. For more information on this please contact me, email detail is noted below. If you have any questions, please contact me at jroennfeldt@worldanimalprotection.org.au or by phone on (02) 9902 8020.
